UNESCO-CHEA International Quality Group ID # 459C246

EDUCAUSE ID #198820

Certificate of Recognition Supplement

Name of Institution: <u>Abraham University</u>	Validity: <u>10-12-2023 to 10-12-2028</u>
Recognition Level: <u>Higher Education</u>	Rating: <u>Excellent</u>
Document No: <u>CUC762-10-1323</u>	Status: <u>Active</u>
Objective: <u>To evaluate and assess the curricula and academic programs using the accreditation standards applied to U.S. state approved universities that apply for regional and national accreditation.</u>	

I. About the Innovative Knowledge Institute, Paris Graduate School:

- Degrees Offered: (1) Undergraduate (2) Graduate and (3) Post Graduate Degree Programs.
- Place of Establishment: Orlando, Florida and Tabarre, Haiti.
- Status of University: It is recognized and registered in Florida, USA and Tabarre, Haiti as an institution of higher education.

II. The United States equivalency Degree Certification:

All graduates of the Abraham University will be conferred with the United States equivalency degrees equivalent to regionally accredited degrees by California University FCE. Graduates of unaccredited but state-approved universities are eligible to pursue state board examinations after their institutions' curricula and academic programs undergo evaluation by either the American Council on Education or California University FCE, or any accredited and authorized curriculum evaluators.

For graduates from foreign universities, colleges as well as those from unaccredited U.S. universities and colleges, it is mandatory to obtain United States equivalency degrees from regionally accredited before they can seek employment in the United States or obtain professional licenses. California University FCE is recognized as one of these accredited institutions that confer United States equivalency degrees.

III. Recognition of California University FCE Evaluation Reports:

California University FCE (californiauniversity.edu.pe) and the American Council on Education (acenet.edu) are hold accreditation to assess the curricula of state approved universities that seek regional and national accreditation. This represents a more advanced level of credential evaluation. Furthermore, we acknowledge and endorse all courses completed at U.S. Armed Forces Service Schools and state-approved universities lacking accreditation as transferable credits. These credits are certified as equivalent to those earned at regionally accredited universities.
